Dear Ben,

I'm so glad that you wrote to me. Sorry I haven't written to you for so long but I'm busy with my exams as well.

I like watching different kinds of films but usually it's comedies and love stories with happy endings. I prefer watching films in the cinema because it's more exciting to watch a movie on a big screen with a bowl of popcorn and people around you.

If ever had a chance to make a film, it would be about me and my family, kind of an autobiography.

Dear ~~Xenia~~,

Thanks for your last letter, and sorry I couldn't answer you earlier, exams as well. No, I haven't seen the film yet.

I like to watch many kinds of movies. From old ones to the moderns. My favorite genre is thriller, because it's very scary and unpredictable. I watch films almost every day at home, but I have to admit that watching them on wide screen is much cooler. All the special effects and the way the actors play seems way more impressing. If I make a film one day it will be related with biography, my childhood and the people who surround me. In other words it will be very intimate.

Write back soon.

Best wishes,

Yana.
